

Bags of Support are passionate about supporting the local community and doing what they can to save and improve the environment.

By collecting and recycling unwanted clothes, shoes and bedding your charity could be earning money and helping to reduce waste destined for landfill.

And with 1.2 million tonnes of household textile waste going to landfill each year, what better way to inspire and encourage our children to lead the way and reduce our global footprint.

Raising funds for Ashurst Primary with Bags of Support!

A large plastic bag will be sent home via pupil post and here's what we love you to do please:

1. Fill the bag with the following – all need to be good quality and re-useable

- ❖ *Clothes*
- ❖ *Shoes*
- ❖ *Bedding*
- ❖ *Belts*
- ❖ *Handbags*
- ❖ *Soft toys*

2. Then return to the Garnett's garage (house opposite school) at any point from next **Wednesday 17th May** to **Friday 19th May** (before 10am as the collection will be made shortly after).

Every kilo donated raises 50p and it all really adds up! So please fill up as many bags as you can (you can use everyday black bin bags). If you aren't able to donate, please can you hand back the bag for the charity to re-use

For more information about 'Bags of Support' and all of the fantastic work they do please visit www.bagsofsupport.co.uk
