

ASHURST CE AIDED PRIMARY SCHOOL

'SPORTS PREMIUM'

Sports Premium Funding has been an additional funding to all Primary Schools from the academic year 2013-2014 to 2017-2018, and has been extended into 2018-2019.

It is provided jointly by the Departments of Education, Health & Culture and Media & Sport. Its purpose is to improve the quality of sport and PE for all pupils across the school and can only be spent on this provision.

It is for schools to decide how the Sports Premium is spent, as they are best placed to assess what additional provision should be made for the pupils at their school.

From April 2014, schools have been required to publish online information about how they have used, and/or intend to use, their Sports Premium Funding, to ensure that parents and others are made aware of how the additional funding was, and is, being used. From September 2018, schools have also to report of the ability of their end of KS2 pupils in swimming.

Sports Premium funding is received in the financial year, for impact and reporting upon in the academic year.

| <ul style="list-style-type: none">• We aim to develop children's knowledge, skills and understanding in PE. Physical well-being is essential to personal and social development and is closely linked to a growing sense of identity, self-image and worth; and to increased confidence.• We aim to develop and encourage children to plan, participate and evaluate work appropriate to their age and ability. We strive to improve children's physical skills, health and fitness; and encourage them to enjoy PE for its own sake.• We believe that PE is concerned with developing self-control and a confident, positive attitude - necessary in a whole range of different situations including young children learning to dress themselves and/or to hold a pencil correctly. It is also needed in knowing how to handle equipment and apparatus safely. |
