Schools Edition

Winter 2015

Merry Christmas to all! It's been an incredibly busy year for Bags of Support. We have worked with 31 primary schools in West Sussex, Surrey and Kent raising over £10,000 for the PTA's and recycled over 20 tonnes of clothing. Nothing we collect ever goes into landfill.

The Glodeni Orphanage in Romania has received donations of 400kg of essential clothing. We have also sponsored the education of 2 children Annet and Ambrose at the Nkuringo Foundation School in Uganda as well as sending the school many clothes and shoes. Children who live more than 8 miles from the school can't attend as the distance is too far to walk, so we are embarking on building a boarding school room to enable these children to receive a vital education. Due to your support the building foundations are now in place. Thank you.

With 1.2 million tonnes of household textile waste going to landfill each year, what better way to inspire our children to reduce our global footprint than by leading by example: collecting and recycling unwanted clothes, shoes, bedding and bags! None of this would be possible without your kind and continued support as parents and school communities.

## THANK YOU TO THE FOLLOWING SCHOOLS

Alexandra Infants, Ardingly, Ashurst, Billingshurst, Bolney CEP, Buckingham Primary, Camelsdale Primary, Castlewood, Conifers, Duncton, Farlington, Handcross Park, Holy Trinity, Hurstpierpoint, Jolesfield, Littlehaven Infants, Pennthorpe, Scott-Broadwood Infants, Shipley Primary, St Cuthberts, St James/Fittleworth, St Mary's, Storrington First School, Towers, William Penn.

*"We are happy to inform you that both Annet and Ambrose sponsored by Bags of Support are doing very well. This sponsorship has completely transformed their lives and they are very proud of themselves studying at our school."*

Joshua Ayubare, ( Head-master)

*"Bags of Support enabled us to raise a significant amount for our charity appeal, as well as providing a way for unwanted clothes to find their way to good homes. It was incredibly easy with their support."*
